MESSAGE FROM THE EDITOR: The Dog Days are With Us

The mild weather notwithstanding, the dog days of summer are surely upon us if the August CCC meeting featured only two exhibitors. Admittedly, August is the time of year when many people are away on vacation or otherwise tied up with other activities.

Traditionally, the dog days run into September. Hopefully, though, we will get a few more people to come forward at the September meeting and tell us how they spent their summer vacations (at the ANA convention, for instance), and what interesting numismatic items they have picked up and researched lately. Exhibits make for a more interesting meeting for all of us.

OFFICERS

Robert Leonard, president; Andrew Michyeta, first vice president; David Simpson, second vice president; Brian Stubbs, secretary/treasurer and director; Joseph Tomasko, archivist; Pete Jorstad, director; Joseph O'Connor, director; and Charles Ricard, immediate past president.
